

CITY OF NEW LONDON

2016 Fall Leaf and Brush Pickup Schedule

The City of New London will conduct its **ANNUAL FALL LEAF/BRUSH PICK-UP** beginning October 10th through November 18th. Please refer to the map below for the weekly pick up schedule.

The leaves should be **placed behind the curb** (no further than 4 ft.) for the leaf vacuum and **separated** from the branches. For citizen's convenience, the City will also pick up leaves in bags or boxes which will be left behind when emptied. (40 gal. size maximum) Brush **MUST** be cut into 4 ft. lengths and bundled with twine; each bundle being no more than 2 ft. around and weighing no more than 45 pounds. They should be placed at curbside for pick up. This method saves your tax dollars, since our equipment can carry more brush per load and less handling is required.
